Take Care of Family

Product and Services

Specific Discount/Service Details

- BOC offer the best foreign exchange rate between USD and RMB. Upon exchanging the required salary amount from USD to RMB, customers can remit the fund instantly without hassle. This type of remittance will not be

[Direct RMB Remittance]

restricted by the domestic annual foreign exchange settlement limit of 50,000 USD

- We recommend that you choose Bank of China as the receiving bank, which is the most convenient channel for remittance with free cable fee and favorable handling fee.

[USD, EUR Remittance]

- Depending on the actual purpose, simply bring your passport and bank card to transfer USD, EUR or HKD at any counter or e-banking of Bank of China (Hong Kong) Limited Phnom Penh Branch into your overseas accounts.
- Support GPI remittance services which customers are able to trace each steps of remittance process and also receive SMS notification amidst of the remittance process.

[RMB Pre-settlement Remittance]

- This is a remittance method in which the remitter converts USD or any other foreign currency funds into RMB in Cambodia at the exchange rate on the day of remittance at Bank of China (Hong Kong) Limited Phnom Penh Branch, after which the funds will be remitted to the domestic beneficiary's RMB account. This is a one-stop remittance service, whilst the recipient does not need to settle foreign exchange in China.
- Customers are able to send the remitted amount with locked-in exchange rates whilst the beneficiary can receive the remitted fund without any foreign exchange settlement in China Mainland.

Note: This type of remittance will be restricted by the domestic annual foreign exchange settlement limit of 50,000 USD

- Remittance done via branch counters can be wired to any banks in Mainland China.
- Remittance done via mobile Banking or online Banking, can be wired to the four major banks in China, including Bank of China, Industrial and Commercial Bank of China Limited, Agricultural Bank of China and China Construction Bank.
- Corporate Customers are able to make salary remittance directly into their employees' bank accounts in Mainland China. This serves as a considerable staff benefit which helps save remitted processing fee and time.
- Employees will not be required to provide salary proof under this arrangement.

【Salary Remittance】

- Offer Corporate Employees with the best USD and RMB exchange rates whilst this type of remittance will not be restricted by the domestic annual foreign exchange settlement limit of 50,000 USD
- Corporate Employees are able to perform cash withdrawal transactions in Mainland China via ATM of Bank of China. Also, to enjoy free of charge transactions for the first two ATM withdrawals each month and waiver of annual fee.

【代发薪/Payroll】

- Offer Payroll Service to Corporate Customers
- Support dual USD and RMB dual currency payroll service
- Corporate Employees are able to perform cash withdrawal transactions in Mainland China via ATM of Bank of China. Also, to enjoy free of charge transactions for the first two ATM withdrawals each month and waiver of annual fee.

【Overseas Study Financial Service】

- Provide employees' children with Overseas Study information in Mainland China or Hong Kong
- Bank of China (Hong Kong) Limited Phnom Penh Branch offer internship program during the summer or winter break.
- Waiver on transaction fee for remitting tuition fee, living expenses via the counter.
- While performing cash withdrawal transactions in Mainland China via ATMs of Bank of China, customers can enjoy free of charge transaction for the first two cash withdrawals each month and waiver of annual fee.
- Provide consultation service for onsite account opening in Mainland China.
- Provide free of charge certificate of deposit statement for arranging Overseas Study Visa.
- Enjoy zero transaction fee whilst using our mobile banking and overseas students debit card. Live your study life simply with enhanced banking convenience
- Student's financial status, such as balance enquiry, purchase activity, can be transmitted to a maximum of 3 mobile devices simultaneously. The SMS notifications can be sent to mobile devices in China, Cambodia or selected countries.
- Enjoy promotional offers on Mobile Banking services, Debit Card and Credit Card Services.
